REGISTRATION OF AN ORAL SUPPLEMENTARY EXAMINATION
(according to § 32 APB)

In the context of the examination regulations of the degree program:

Name/ First name: ______________________________ Matr.-Nr: ____________________

Email: __________________________________________@____________________

In the examination subject: __________________________________ Examination number: _____ - _____ - ________

Examiner __________________________________

Announcement of the grade of the second re-examination took place on: ______________________________________________

Date of the registration of the Oral Supplementary Examination: ________________________________

An Oral Supplementary Examination (OSE) can be taken once in the degree program in case of a failed second written re-examination.
I am aware that I cannot claim an OSE if I handed in an empty sheet in the last examination or if the grading was due to an attempt of deception. With this registration I declare that I didn’t register for another Oral Supplementary Examination in the above mentioned degree program (according to § 32 APB of the TU Darmstadt).

Signature: _____________________________________________________________________________

(Student)

To be filled in by the Student Office:
The data have been checked. For Mrs./Mr. ________________________________ there is

☐ no further registration for an Oral Supplementary Examination in the above mentioned degree program. The application is approved.

☐ already a registration for an Oral Supplementary Examination in the above mentioned degree program. The application is rejected.

☐ The Student Office of the Department ______ is asked to install an additional examination round (OSE) for the above mentioned examination of the student and to coordinate a date for the examination.
